

Each year at this time, we reach out to business leaders like you to join the Tanque Verde Schools Educational Enrichment Foundation as an official partner to help us as we enhance the education provided to the children within the Tanque Verde Unified Schools District. While the schools in our district are consistently rated “Excelling” by the Arizona State Board of Education, our all-volunteer foundation recognizes the schools cannot continue this high level of achievement without properly equipping our students for the 21st century. All of TVF’s fundraising supports the purchase of computers, innovative classroom technology, materials needed for fine arts, specialized sports equipment, and other staff needs for the benefit of the children attending the schools in Tanque Verde School District. Last year TVF grants totaled more than \$31,000.00.

We would like to invite you to be a TVF sponsor for the 2011-12 school year. Our sponsorship program provides recognition for your business throughout the year from our thousands of community supporters, plus the impact of two of the Tanque Verde Valley’s best known events, our 20th annual Tech Trek (1/28/2012), and our 25th annual spring fundraiser The Taste of Tanque Verde (5/4/2012). Each of our fundraisers attracts hundreds of participants and attendees from across Pima County.

Each level of sponsorship varying from \$2000 to \$125 provides a unique marketing opportunity for your business, and all levels of sponsorship are afforded the following:

- Your business logo will be included on the annual Tech Trek T-shirt provided to all participants and all marketing and media for both events.
- Your donation will be acknowledged on the TVF website: <http://www.tvseef.org>
- All contributions to TVF are tax-deductible.
- Our community members lean towards supporting local businesses that donate to TVF and its events

Although we are in uncertain economic times sponsoring our events this year can help you to stand out from your competitors and say “We are here to stay and committed to making a difference in our community.”

Your generous contribution will help us present successful community-wide events, and your support will be greatly appreciated by the families and the young scholars who receive the benefits of your contributions.

If you would like further details on our foundation or our events, please feel free to contact us directly or via email at: techtrek@tvseef.org or see our website: www.tvseef.org .

Sincerely,

Elizabeth Spilotro, (520) 990-1793
Chairperson, Tech Trek 2012
